

Classroom Technology Survey

Students at the University of Washington are exploring classroom technology, focusing on grades K-5. We are conducting a survey to determine what you, and your child, might find useful in the classroom. No information about you or your child will be collected or shared.

* Required

1. If your child were allowed to use an iPad during the class, which app do you think your child would like the best? *

Mark only one oval.

- App that shows classroom schedule
- App that shows grades and attendance
- App allowing many kids to work together on one class project
- App that shows the lunch menu
- App that shows classmate's birthdays

2. On your iPad, which app would you find most useful? *

Mark only one oval.

- App that shows your child's class schedule
- App that shows your child's grades and attendance
- App that shows what your child worked on during the class today
- App that shows lunch menu
- App that shows classroom birthdays
